

The Diocese of St Edmundsbury and Ipswich

Annual Report and Financial Statements of the Parochial Church Council of St. Peter's Church, Thurston

For the year ended 31st December 2023

Prepared under the Receipts and Payments Accounting Basis

2023 Report and Accounts

Parochial Church Council of St Peter's Church, Thurston

Aim and Purposes

St. Peter's Parochial Church Council (PCC) takes pleasure in its responsibility of cooperating with the Rev'd Benjamin Edwards. The members look forward to continuing to promote, in the ecclesiastical parish, the whole mission of the Church, pastoral, evangelical, social and ecumenical. The PCC cooperates with the PCC of Holy Innocents, Great Barton, within the Benefice of Great Barton and Thurston to share resources and fellowship.

Objectives and Activities

The PCC is committed to enabling as many people as possible to worship at our church and to become part of our parish community at St Peter's. The PCC maintains an overview of worship and makes suggestions on how our services can involve the many groups that live within our parish. Our services and worship put faith into practice through prayer and scripture, music and sacrament.

When planning our activities for the year, we have considered the Commission's guidance on public benefit and, in particular, the supplementary guidance on charities for the advancement of religion. In particular, we try to enable ordinary people to live out their faith as part of our parish community through:

- Worship and prayer; learning about the gospel; and developing their knowledge and trust in Jesus.
- Provision of pastoral care for people living in the parish.
- Missionary and outreach work.

To facilitate these objectives, it is important that we maintain the fabric of the Church of St. Peter and we work closely with the Thurston Ecclesiastical Charity in the use of "The Rock" church building.

Reflections from the Reverend Benjamin Edwards

This year we have looked to the future of our benefice, especially at the aspects of renewing the interior of St Peter's and focusing on engaging with younger people, particularly in our connections with schools. We look to build on this in the year ahead, including revitalising our Children's and Prayer areas, as well as introducing All Age services.

There are many positives that have come out of the past year, even though it had difficult patches. I am particularly enthused by the fellowship after services, which has really been something to look forward to after our worship. It is beginning to generate real joy, which, as we know, is catching. Positivity shows through in our welcome and our invitation to others into the life of the church of St Peter's, and we are beginning to see people test the water, coming to services over Easter. We can most certainly build upon this in the years ahead.

Great foundations were built this past year, and it will be good to discern a path as we build on those foundations. We remember that underpinning all that we do for the Kingdom of God is our prayer, our communication with God, the encouragement and wisdom we receive from Scripture and the nourishment we receive in the Eucharist. This is how God equips us for the mission ahead – to bring Good News to all people, that Jesus Christ was amongst us, died for us, rose from the dead in the Resurrection and is with us now. Deepening our knowledge and understanding of the faith will enable us to be better equipped for that mission as we look to feed and water what we have grown.

Worship

We have maintained our pattern of worship for the most part this past year, with Sung Eucharist, Holy Communion and Evensong, as well as Holy Communion from the Book of Common Prayer. New service booklets have been produced for BCP Holy Communion and Evensong, to not only help those for whom the print in our BCPs is hard to read, but also for those who may chance upon these services to be able to easily engage and participate in them – there are large print versions available.

All Age services have started to become an established part of our service pattern – St Peter's will have a non-Eucharistic service every other time there is an All Age service. This will allow the service to be lay led, by our Reader Kathy Drakes or others who are permitted to do so. The last Mothering Sunday service was non-eucharistic, and consideration will be given to other services such as Harvest Festival, which may also be an occasion for a Service of the Word.

Christmas services were well attended across the benefice, particularly good feedback was given to me following the Crib Services we held, with really good engagement from Thurston families and other residents who consider the service “part of our Christmas”.

Easter services continue to be a mixed bag – our Palm Sunday Together Church service was well-attended and great fun, but slightly less folk engage with Maundy Thursday and Good Friday services. There may be a variety of reasons for this. I am keen to emphasize the importance of travelling with Jesus during Holy Week, through the joys and pain and despairs and sorrows, right through to the amazement and elation of the Resurrection. In Philippians 3:10-11 we hear Paul cry out. "I wish to know Christ and the power flowing from his resurrection likewise to know how to share in his suffering, by being formed into the pattern of his death. Thus do I hope that I may arrive at the resurrection from the dead."

For us to enter into the life, death and Resurrection of Christ, we must all take part in that journey! Perhaps we can encourage each other to enter into that journey together – some thought must go into perhaps an earlier Maundy Thursday service and a benefice Good Friday offering to make this even easier for people to engage in.

Finally, mention must go to not only our church wardens for their hard work in ensuring worship happens, but also our Reader Kathy Drakes, whose excellent preaching and insightful teaching has been invaluable not only to the congregations but also to me personally; not only to assist me but also to inspire me! Our retired clergy, Reverend David Crawley and Reverend Mark Hunt, who have once again made themselves available for various worship and occasional office duties, also deserve a thanks, as well as Rev'd Sharon Connell taking our Midnight Mass service. We look forward this year to The Rev Canon Stephne van der Toorn ministering to us, joining those excellent retired priests in their ministry to the benefice.

Ministry & Mission

Our ministry to the wider community continues to be consistent, especially when it comes to our focus on investing in young people and families in our community.

The white-washing of some of the walls in St Peter's has been transformational – really lifting the atmosphere in the central body of the building and giving brightness and cheer – with thanks to some excellent fund-raising efforts, more on this later. This makes St Peter's a more inviting space, removing some of its previous gloom due to the darker colour of the walls – it looks and feels more welcoming.

We look forward to making plans to transform the Children's Corner and the area known as the Prayer corner – none of which would have been possible without the efforts of the fundraising committee and the events that they spearheaded – The Voice Squad Concert, the Walkathon around the Thurston Primary School field, the Teddy Bear Zip line, the online auction and the fantastic St Martin's Voices choir concert and workshops, arranged by stalwart champion of choral music Bridget Read – the workshops particularly were enjoyed by the schools the singers visited; all of these events and more raised much-needed funds not only for church projects for young people, but also for the charity Nicky's Way, which supports young people grieving for the loss of loved ones. So many were involved in these excellent events, for which on behalf of the benefice I say a big 'thank you'.

Engagement with schools has been excellent – I attend Thurston Primary every week to deliver assemblies, and our Reader for the Benefice Kathy Drakes has also begun a ministry here. Pat Sadler is an active governor of the Primary School, and also helps to run the Together Church services, which happen mainly in the school hall. I was also invited into the Special Education school (Priory & Aspire) in Thurston to lead sessions about the major Christian festivals, which both the pupils and I thoroughly enjoyed; the pupils were full of questions and fun. I shall be working with their RE lead teacher to continue building a relationship between the school and St Peter's.

I also have become the Chaplain (or Padre) to the 863rd RAF Air Cadets in Thurston, leading various sessions on a Thursday Evening, including ethics, meditation and teamwork (building a tower out of spaghetti and marshmallows!), and am settling in to becoming part of the team there.

Vicar visits have been a particular joy – I have been dedicating more time to visiting congregation members and others in the parish, and have been bowled over by the warmth and welcome by many. I am keen for this to become a mainstay of my ministry here. We shall look to follow the lead of Holy Innocents in forming a small pastoral team, who can assist in discerning when a vicar visit might be desired as well as provide a contact with the church and a listening ear.

These are all areas upon which we will continue to focus on and build on the foundations we have established. So much has become eroded with the years of pandemic, but we are beginning to see not just green shoots but young plants for us to tend to and care for as best we can.

Endings, beginnings and thanks

Firstly, I wish to thank wholeheartedly our churchwardens for their continued hard work this year – your experience has been invaluable. I am pleased that our churchwardens are happy to continue in their roles –

good news for the whole church.

We say goodbye to Ann Reeve who is stepping down as PCC member. Ann has served the PCC for many years, and I shall certainly be sorry to lose her insight and challenge (which every good clergy person welcomes, honest!). Ann will continue to be Electoral Roll Officer for St Peter's.

We also say goodbye to Vicky Neale, who has been a more than capable PCC Secretary these past few years, and has been at the centre of our finance committee and a major fundraising force for St Peter's as well as Nicky's Way. We thank Vicky wholeheartedly for all she has done for St Peter's.

Christopher and Elizabeth Wells retire from the PCC this year too, after 30 years of service! We have all benefitted greatly from their wisdom and experience over the years, and thank them wholeheartedly for their dedication to St Peter's and the PCC. Christopher has expressed that he'd still be prepared to share his wisdom and experience should our church officers require it.

Our treasurer and former secretary, Gillian Bush is also standing down this year after many years of sterling service to the PCC. We thank her for her dedication, strong sense of service and sheer hard work that has been invaluable to St Peter's.

As a member of the Inclusive Church national family of churches – an organisation that helps signpost folk who may not find a welcome elsewhere to our churches, especially LGBT+ folk, differently abled, from any racial heritage, neurodiverse etc, we deliberated as to whether to offer the Prayers of Love and Faith – a suite of liturgies to affirm same sex relationships as part of our regular worship patterns (when requested), which we decided as separate churches. Both St Peter's and Holy Innocents made the decision to offer these services to our parishes, further cementing our welcome of people who identify as LGBT+.

Whilst we do not necessarily expect a stampede of folk looking to take up this offer, it is a further message to the rest of the communities in our parishes that we are a welcoming and inclusive church that wants to draw all people to God's love. I am very proud of both our churches for the time and deliberation they took, both at PCC and congregational level, to consider this, and also for the compassionate and Christ-like responses I received from many. It may not be a roaring fire of change in our parishes, but it is a spark – and it may only take a spark to light a flame that others can see God's love by.

I'd like to offer another huge thanks again goes to Peter Robinson for his support and assistance. Thank you Peter for all that you do to support both churches and my ministry.

This past year saw the licensing of our Reader Kathy Drakes, a woman of much holiness who is now blessing us with her insights in teaching and preaching, as well as her pastoral excellence. I know that we all have gained much from being ministered to by Kathy, and I pray that her ministry here will go from strength to strength. Kathy led the Remembrance service in 2023, and reports were that she did a wonderful job of leading the community in that time of solemnity.

We sadly said goodbye to a wonderful Mother's Union leader, champion bell ringer and committed Christian woman in Jill Rood, who died this year. Jill had been unwell for some time, but never let this dampen her passion for life or for the Mother's Union – she ensured that things would carry on after she left us, and was truly inspiring; a model of how to face our final journey with dignity, peace and love. Thank you Jill for all that you gave to our community, both St Peter's and Thurston. The number of people who came to send you off at your funeral service is a testament to all the lives that you touched. We also saw the funeral of Brenda Garrard, previous member of St Peter's choir.

Final Note

There has been much growth and hope for the future of the benefice and for St Peter's this year. There is a new buzz to our fellowship, a vibrancy, which seems to be echoed by the new lightness of the building. There is a growing sense that the ground is improving and becoming more fertile week by week, thanks to all the efforts of our church members. It is a changing parish, many new people arriving and bedding in to a community that has a church that increasingly is reaching out to it. Those voices of invitation are beginning to be heard, the identity of this church is becoming clearer to those around us. I truly believe that God will burst forth from this congregation into the community around it, that we can radiate the new found joy we find in Jesus Christ's presence with us – and who doesn't want to be part of that joy? Let us focus on all that gives joy in our church community and lift it for all to see, the glory of God shining through the darkness. Christ, be our light!

Amen

Achievements & Performance compiled by the Churchwardens

It has been another eventful year in the life of St Peter's Church, Thurston. Our main focus has been to fundraise to improve the fabric of our church and to improve areas in our church to make it more welcoming for the younger generation and for generations to come. We were all about concentrating on getting the youth involved and in making known to the wider community that St Peter's is an all-inclusive church and is there for them.

A detailed account of all fundraising that took place is included as a separate report. From this you will notice that there were many occasions throughout the year when it was a privilege to be entertained by young people and the quality of the performances was excellent. It must also be said that the concert by St Martin's Voices, was one hour of superb singing, which reflected on themes of love, hope, joy and peace. It was a first-class performance and one, which we will not forget. It certainly raised the profile of our church, being well attended by those near and far. The children's area and space for the youth in our church remains a work in progress and is foremost in our future plans.

One of our biggest achievements was in having some of our interior walls lime washed. We hope you will agree that this has resulted in brightening up our church and is aesthetically pleasing. We do thank you for your patience while the work was being completed as the scaffolding did restrict our movement. And a heartfelt thank you to all of you who helped prepare for the lime washing to be carried and to those who cleaned up after completion of the work.

To summarise our fundraising, we would like to say a huge thank you to our secretary for the tireless work she put in to enable the events to happen; we owe her so much. We thank her for obtaining grants and dealing with all the paperwork involved; and to the rest of the committee and volunteers, we thank you your support, which was invaluable.

The weekly routine of our services remained much the same as we continued to work with our benefice church, Holy Innocents, to provide Holy Communion, Sung Eucharist, Book of Common Prayer, Common Worship, Evensong and a monthly 'Together Family Church' held at Thurston Primary Academy. During the year it was a pleasure to welcome eleven children for baptism and to witness the marriage of three couples. These are always joyous occasions and fill us with hope that our congregation will grow younger. Sadly, we saw five burials and five burials of ashes.

Special services held throughout the year involved many young people. Thurston Primary Academy visited for their Easter and Harvest services and their carol concert. 1st Thurston Scout Group took part in the Remembrance Day service, and in December held their annual Christingle service. We also welcomed the ATC for their Carol service. It was heartening to see the number of parents and carers who came along to

support their children on these special occasions. A special service in May was held to mark the Coronation of King Charles 111 and the Mothers' Union came for their annual meeting to include Holy Communion. This year, due to a grant, we were able to renew our church path, which was in need of much repair. This has greatly improved the appearance to the entrance and is well used by the many who daily walk through our churchyard. We were also fortunate enough to receive an anonymous donation, which enabled us to do minor repairs to our wall, and to have the stones re-laid at the threshold to the porch. We are very grateful to this generous person. General maintenance was carried out to keep things tidy for visitors and the usual area to encourage wildlife remained uncut until the autumn. As an ECO church we continue to discourage the use of any plastic in our churchyard, which could endanger wildlife.

The new graveyard now has a more natural boundary with the replanting of hedging, following the loss of many plants due to the extreme hot weather in the summer. We are grateful to those who supplied the plants and to the many who did the re-planting and mulching. The mulching was done to suppress weeds and retain moisture in the hope that the hedging flourishes. Two hawthorn trees were also planted at either side of the entrance to the graveyard having been kindly donated by the W. I. and the Brownies, who were celebrating 50 years of being in Thurston. We are thankful for these trees, which define the entrance to the graveyard. Our new graveyard is a work in progress but, with the new hedging and trees, is growing into a valuable habitat for wildlife, which, as an ECO Church we strive to encourage.

As always, we have many people to thank you for their help throughout the year. We thank the PCC and in particular our secretary, treasurer and electoral roll officer; the choir for their joyful singing and, in the absence of a permanent organist, those who have played for our services; and to the many who take part in our services; the readers, welcomers, intercessors, servers and those who serve refreshments; your participation is highly appreciated.

We are grateful to the volunteers who keep the inside of our church looking splendid. We thank those who clean the church weekly, those who polish the brasses, arrange flowers for the altar and for special occasions during the churches calendar year. We are also indebted to those who join our working parties to keep the churchyard tidy.

To all helpers, many of you who are unseen, your efforts do not go unnoticed. Thank you one and all.
Pat and Margery.

Electoral Roll

At the end of December 2023, there were 61 on the Church Electoral Roll.

Deanery Synod

Two members of the PCC currently sit on the Deanery Synod. This provides the PCC with Diocesan Reports and is an important link between the parish and the wider structures of the church. Clergy wellbeing and welfare is constantly under discussion.

Building

The building is Grade II listed since 15 November 1954 and its English Heritage Building ID is 281245. It is medieval, but virtually rebuilt in 1861 by J H Hakewell following the collapse of the medieval tower onto the nave. The chancel was restored in the mid 19th Century. During 2023, the porch was lime washed and new oak noticeboards were installed. The aisles were also lime washed and new curtains were fitted in the Lady Chapel. The roof alarm system continues to work well. All electrical inspections are up to date. The first burials have taken place in the new churchyard and the hedging around it is now planted.

Financial Review

This has been another challenging year financially and we ended the year with our budget showing an in-year deficit to carry forward to our plan for 2024.

We are extremely grateful to all those who continued to make donations through the Parish Giving Scheme, regular standing orders, weekly envelopes at services and the Gift Day. We are also grateful to the Thurston Ecclesiastical Charity for its continued vital support.

We thank all those who helped with the organisation of our fundraising events and those who supported them. A separate report on fundraising is included later in this report.

During 2023 we were able to meet the Parish Share requirements from the Diocesan Board of Finance. We are grateful that a reduced share was agreed with the Deanery.

Once again we were not able to add to our reserves in 2023. However in line with our Reserves Policy, the amount in the undesignated general fund in the deposit account at year end still just equates to roughly two months' estimated running costs.

As she steps down from the role, we are especially grateful to Gillian Bush who has worked so hard as our Treasurer.

Thurston Ecclesiastical Charity

The Charity is connected to St Peter's Church with Trustees being the Vicar, the Churchwardens and two additional members elected by the PCC, currently Mary Fawcett and Christopher Wells. Income is applied for furthering the religious and other charitable purposes of the Church of England in the Ecclesiastical Parish of St Peter's, Thurston.

The Charity owns The Rock building, which provides excellent facilities for St Peter's. It gives a warm venue for coffee after the main services and is used regularly for Church meetings, informal worship, coffee mornings and activities run by the Mothers' Union. In addition the Charity owns the Church Field and the Cottage.

Structure, Governance and Management

The Parochial Church Council is a corporate body established by the Church of England and operates under the Parochial Church Council Powers Measure. The PCC is exempted by order from registering with the Charity Commission. However it registered with the Commission in 2022.

The method of appointment of PCC members is set out in the Church Representation Rules. At St. Peter's the membership of the PCC consists of the incumbent (our vicar, when we have one), churchwarden/s, currently two members of the Thingoe Deanery Synod and others elected by those members of the congregation who are on the electoral roll of the church. All those who attend our services and are members of the congregation are encouraged to register on the Electoral Roll and stand for election to the PCC.

The PCC members are responsible for making decisions on all matters of general concern and importance to the parish including deciding on how the funds of the PCC are to be spent.

During the year the St Peter's PCC met five times.

Administrative information

St. Peter's Church is situated on Church Road, Thurston. It is part of the Benefice of Great Barton and Thurston, within the Diocese of St. Edmundsbury and Ipswich of the Church of England.

The correspondence address is:

The Vicarage, Church Lane, Great Barton, Bury St. Edmunds, IP31 2QR

PCC members who have served at any time from 1 January 2023 until the date this report was approved are:

Ex Officio members:

Incumbent: Benjamin Edwards

Churchwardens: Mrs Margery Ashford
Mrs Pat Sadler

Deanery Synod Members: Mr Christopher Wells
Mrs Elizabeth Wells

Elected members: Mrs Gillian Bush (Treasurer)
Mrs Irene Churchus
Mrs Vicky Neale (Secretary)
Mrs Ann Reeve
Mr Peter Robinson (co-opted)

Approved by the PCC on 14th April 2024 and signed on their behalf by

St Peter's APCM Report

Safeguarding

We are pleased to report that no safeguarding issues have been reported as yet to our new safeguarding officer, Kathy Drakes.

At the time of writing Claire Mackichan remains assistant safeguarding officer for the benefice.

Safeguarding training opportunities for those whose training has lapsed and for new PCC members will be arranged in the usual way – we do prefer for that training to be face to face, and thus may share training sessions with others in the Deanery.

This year my Leadership Safeguarding training as priest is to be renewed.

Anyone with any concerns about an individual, or about how we do things as a church, can contact Kathy Drakes or myself (Fr Ben) to report.

Reverend Benjamin Edwards

GDPR

Very little has changed with the General Data Protection Regulations (GDPR). However, we must continue to ensure that we do not share personal information, without prior written consent. When sending an email to multiple addresses please use the BCC function. This way all addresses are hidden.

We should also remember that officers of the Church, e.g. Church Warden, Treasurer, Secretary, Electoral Roll Officer, Safeguarding Officer, all hold personal information. If they leave the church, we must ensure that this information is deleted from their computers and hard copies destroyed or returned to the Church.

The Data Protection Co-ordinator must also receive confirmation from the member that this has been done. A copy of this confirmation should be held on file.

Peter Robinson

Benefice Website and Facebook

Our website and Facebook pages continue to be an important part of communication for our churches. Thurston is a fast-growing village, and most new residents will be young families, which look for their news and information online. So, to reach these new people, we must continue to utilise our Social Media pages and websites. We are receiving extremely good numbers of people viewing St Peter's Facebook, especially if we can include photographs of events such as the Flower Festival, social events, or concerts. We also share information on our news and events on the media pages of village organisations, which gives us a much wider coverage.

Our figures for views on the website continue to be encouraging, but we need to ensure that we continue to update our pages on a regular basis with new and exciting news and events. Please keep the information coming.

Peter Robinson

The Fundraising Report

The fundraising committee decided to use the Coronation Year to **raise the profile of the church in the community; to provide some opportunities for young people that had been denied them during the pandemic; to increase our mission giving and, of course, to raise funds for St Peter's.** The events were held largely around four key times: the Coronation Weekend; St Petertide; Harvest and Christmas.

Reverend Ben and the local scout group organised a **successful teddy bear zip wire** to launch the programme and this was followed by a special service to mark the Coronation at which our new noticeboards marking the late Queen's Platinum Jubilee were dedicated.

During St Petertide, we had a **lunchtime recital by local high school musicians**; an evening **concert from the local youth choir, The Voice Squad** and a **display from the history society at Thurston Community College** showing the history of our church. To coincide with our annual gift day, we also wrote to families who had been married and/or had their children baptised in St Peter's, asking them to donate to our appeal.

At harvest, we had our first **flower festival** weekend since before the pandemic. As well as a large number of excellent floral displays, we had two organ recitals from James Thomas, refreshments, cake and produce stalls and a raffle. **Our churchwardens** did a magnificent job leading us through such a huge undertaking. To coincide with Harvest, we also organised a **walkathon at Thurston Primary Academy**. Although it took

place on the warmest September day on record, a dedicated group of walkers and some supporters of Norburn, St Nicholas Hospice's mascot ensured a good total towards our funds.

Throughout harvest, we ran an **online auction**. Thanks to the incredible generosity of local businesses, we had over forty lots, many aimed at families and young people. In September, we also had a very successful weekend with **St Martin's Voices**. This excellent young choir provided workshops at each of Beyton Sixth, Thurston Community College and Thurston Primary. They also ran a workshop at St Peter's for local choirs and gave a superb concert in our church.

At Christmas we introduced our **'bigger and better' annual bazaar**. This included Christmas wreaths made by members of the PCC and face painting and games for the young and not so young! We were delighted that a record amount was raised.

Throughout the year, we also applied successfully for a number of grants for specific projects.

At the end of the year, we had just exceeded our aspirational target of £30,000 by raising **£30,017**. As a result, we are delighted that our much loved St Peter's Church has a new path, a refurbished porch, new bespoke notice boards, new curtains in the Lady Chapel, newly lime washed aisles and a newly polished floor. Plans for the children's corner are progressing.

To coincide with St Nicholas Hospice's 40th year, and the 25th anniversary of its counselling and bereavement service for children and young people, 'Nicky's Way', we were also delighted to present **"Nicky's Way' with a cheque for £4,106**.

Throughout the Coronation year, we had fantastic support from the people of Thurston, the Benefice Congregations and local businesses and we thank them all.

The Fundraising Committee

The Draw Club

The Draw Club has continued throughout the year with monthly draws and a summer and a winter Grand Draw. As usual we held our summer Grand Draw as part of a strawberry and cream tea outside in the church grounds and the Winter Draw was held during the refreshments after the Service of Nine Lessons and Carols. The annual profit raised for St. Peter's was £754, which was paid into the General Fund at the start of 2024.

Members have continued to be loyal and we have gained a couple of members but sadly have lost a few. This current year we have only 59 members, however thanks to some buying two numbers, we draw from 69, which should enable us to keep profits much the same.

Ann Reeve

Bell Ringing Report

This year I am writing a joint report for our two churches as Jill Rood, who used to do the St Peter's report, sadly died on the 24th January. She is already greatly missed. As well as being Tower Captain at Thurston, Jill, along with her husband Doug, was involved in Sunday Service ringing at Great Barton, Thurston, Pakenham and Rougham. They also took part in Striking Competitions, attended District Practices, meetings and outings as well as ringing for Weddings and Funerals when required.

On 30th April a Peal was rung at Holy innocents for the forthcoming Coronation of King Charles III. We also rang a Quarter Peal at Great Barton on the 4th May and at Thurston on the 5th May. On the 8th May, a group of us rang at eight towers where there is no regular ringing, culminating in a meal at The Victoria in Thurston.

On the 20th May, teams from both towers took part in the Guild Striking Competition at Troston. It was a lovely warm sunny day with a lunchtime barbeque. On 8th July, we went on a district outing to Cambridgeshire and Ely to ring at six towers. This was followed by a trip to ring at five towers in Norfolk on the 23rd September. Both days were very well attended and enjoyed by all.

Visiting ringers were in short supply this year with only two groups at Great Barton and one at Thurston. We rang for nine weddings in total at various churches in the area. Included in these were three at Great Barton and two in Thurston.

Unfortunately, we were only able to ring for Remembrance Sunday at Great Barton this year. We rang for most of the services over the Christmas period but we couldn't manage Midnight Communion or Christmas morning, which was a shame.

We still hold a practice between 7.30 and 9.00 each Thursday evening and anyone who would be interested in joining us would be very welcome.

That covers our activities for the past year.

Sally Veal, Tower Captain

Benefice Choir Report

Last year was another busy year for the choir. With the help of organist, Chris Bartrop, the choir has sung and practised regularly at St Peter's for a range of services. These have included a monthly Choral Evensong, Sung Eucharists, weddings and funerals. Across the two churches in our Benefice, it is particularly noteworthy that we have sung twice on two Sundays each month. We sang at the special service to mark the Coronation of King Charles II. Most of the choir members have long standing experience of singing in church choirs and their commitment has been excellent. The choir has greatly appreciated the help of visiting organists including James Thomas, Dan Soper, Jeremy Harding and trainee organist, Logan Williamson, ex Head Chorister from St Edmundsbury Cathedral. James gave two organ recitals during the weekend of our Flower Festival and we are delighted that Logan has been appointed as an organ scholar at Chelmsford Cathedral during his gap year. We wish him every success.

One of the highlights of this year was the visit by St Martin's Voices in September. They led workshops at Beyton Sixth, Thurston Community College and Thurston Primary before giving an impressive concert in St Peter's. The following morning they gave a workshop in church for local amateur choirs, culminating in a short harvest service. Our leader, Bridget Read, worked extremely hard to make this weekend possible and we are grateful for everything she did for the musical life at St Peter's before stepping down at the end of the year.

The Mothers Union

We have 25 members including 4 indoor members.

This year was overshadowed by the loss of our leader Jill Rood. She had organised the whole of the programme and led us until October, when she became too ill to continue. She passed away in January.

We all miss her very much.

We have continued to meet on the second Tuesday of each month alternating between The Rock and The Institute. During the winter months from November to March we met at 11:00 instead of 2:30 to save members from being out on the dark afternoons.

We enjoyed a variety of speakers including Daloni Peel and Rev'd Sharon Connell, who both shared some of their memories with us, and John Robinson from Age U.K. with an informative talk on Lasting Power of Attorney.

In July we went out for lunch at the Victoria and in September Rev'd Ben led us in Communion at St. Peter's.

We enjoyed crafting sessions with Sheila and Vonnie. In November we made Stars for our tree, which was displayed at the Christmas Tree Festival at Gt. Barton and in December we made beautiful angels from old paperback books.

We donated £100 of vouchers to the Food Bank and £102 to overseas projects supported by the Mothers' Union.

We arranged the World Day of Prayer Service, held in Montana Care Home this year.

We continue to advertise our meetings in The Messenger and the Thurston Newsletter and would be pleased to welcome anyone interested in joining us.

Gill Flowers

Deanery Synod Meetings

This year all our meetings have continued to be face-to-face. Topics included finance and reports from General Synod and our Diocese. We also had local speakers and considered mission in Suffolk and beyond. The meetings always keep us updated on clergy posts that have been filled and address matters on Clergy Wellbeing.

Elizabeth Wells

The Fabric Report

The fabric of the church both outside and inside as far as can be seen from the ground looks to be safe and sound. The builder has done the annual cleaning and inspection of the gutters and down pipes on the church. He also gave a visual inspection of the whole roof. I am pleased to report that he found no problems. The asbestos drainpipe that was causing problems to the outer wall has now been replaced with a plastic one. During 2023, the aisles and the porch were lime washed and new oak noticeboards were installed. New curtains were fitted in the Lady Chapel.

Christopher Wells
